

Introducing Employee Navigator

Employee Navigator is an online benefit enrollment website that will allow our employees to enroll in this year's benefits without completing any paperwork. Below you will find more information on the platform!

- A paperless, intuitive online enrollment giving you access to all the information you need to make an educated decision
- Access to your benefit summary 24/7
- The ability to review plan documents at any time
- The ability to quickly submit life events and update enrollment information
- Easily update profile information such as address, phone numbers, email and emergency contacts

Employee Navigator on Mobile

With Employee Navigator, it is simple to access benefits and HR resources online from your smartphone or mobile device.

Employees can:

- Enroll in benefits
- View compliance documents
- View benefit details
- View plan summaries and resources
